価格 (税込)

¥42,900

The first comprehensive legal commentary on an international treaty governing conventional weapons for more than a decade. Describes use of anti-personnel mines by States and non-State actors through to the present, identifying States Parties that have violated the Convention. An authoritative interpretation of a treaty that resulted from years of campaigning by more than one thousand organisations worldwide.

価格 (税込)

¥52,170

This timely Research Handbook provides novel insights into the institutional complexities of the North Atlantic Treaty Organization (NATO). Through a defined focus on the post-Cold War evolution of NATO, it provides various theoretical perspectives on the Alliance and assesses wider research efforts within NATO studies.
