Diplomatic Law: Commentary on the Vienna Convention on Diplomatic Relations.

(Oxford Commentaries on International Law)

Oxford Univ. P.

9780198974857 2025. 11 512 pp. Hard 5th ed.

特別価格 ¥58,000 (税込)

Now in its fifth edition, Diplomatic Law continues to be an essential guide to changing methods of modern diplomacy, providing an article-by-article commentary and placing each provision in context. The book highlights important new trends in the application of the Convention and provides comprehensive historical context and commentary on its application by the UK, the US, and other States. It explores the interaction between State and diplomatic immunity, examines methods of establishing and conducting diplomatic relations under conditions of physical danger, and looks at increased evidence of disregard for the rules of secrecy in diplomatic communications.
